## Helm Says That Tanalac Will Help Anyone Who is Willing to Give it a Fair Trial

Charles Helm of 7 College avenue, Adrian, and who conducts the largest moving and draying business in that city, said a few days ago, that he had received much benefit from the use of Tanalac, the new medicine. This is Mr. Helm's statement: "My business kept me so rushed all the time that I became completely run down and worn out. I lost every ounce of energy I had, and did not feel fit for business or anything else. I suffered from kidney trouble and this caused me severe backaches. Often I would find it impossible to do my work, such as helping to lift heavy boxes when we had a moving job. I lost my appetite and was so nervous that I didn't sleep well. "I began to take Tanalac a short time ago, because it was recommended by friends, who had been helped by it. I can only say that I am certainly feeling fine now. My appetite is good, my head feels better and my backache is gone. Tanalac is a fine system builder and will help someone who gives it a fair trial." Tanalac may be obtained here at the Look-Paterson Co.—Adv.
